WOMAN-PREACHERS ASSOCIATION IN SESSION  
Chicago, Sept. 13—The International Woman-Precachers' Association met here today for a four day convention. Limited to no denomination, it has members in nearly every state and a few from other countries.

"Motherhood and the Ministry" will be the theme of the final general session. Three generations of "mother preachers" are represented by one of the Association's members, Mrs. Victoria Booth-Clibborn Demarest of Chicago. She is a granddaughter of General William Booth, founder of the Salvation Army.

Her preaching lineage is thus traced by Miss M. Madeline Southard, of Winfield, Kan., president of the woman preachers' organization:

"Catherine Booth, wife of General Booth, 'Mother of the Salvation Army,' bore eight children and preached all her life. Catherine Booth-Clibborn with her sister Evelyn founded the Salvation Army in France, preached all her life and is the mother of ten. Her daughter, Victoria Booth-Clibborn Demarest, has a little daughter and is preaching."

Woman's place in industry, the professions, civic life and in world civilization, through mission work will be discussed at another session.

## PLENTY OF GREEN STUFF ON LOCAL MARKET

Vegetarians need not worry for some time to come, according to produce dealers. There is green stuffs aplenty on the Ardmore market and it is not a difficult task to procure large amounts from the markets of other states. Very little home-grown stuff was offered on the market this year, they say, because the amount raised by the truck growers hardly met home consumption.

California celery and lettuce, Texas cabbage and Louisiana beans are the most conspicuous, while Oklahoma potatoes are still holding their own. Despite the long distance that some of these staples have traveled, the prices are not out of reach of the average salaried man, jobbers say.

WANTED—Boys and girls, 18-22, will pay \$125 per month to start if qualify. Phone 1921 for appointment. 11-3

DOGS AND OWNERS' HOWL WHEN TAX IS APPLIED  
Wilson, Okla., Sept. 13.—Not only the dogs, but the owners of dogs in Wilson raised a howl this week when the police department received a large consignment of dog tags and orders were issued by Mayor Isaac Roberts that hereafter a tax would be placed on all of the canine tribe. Dogs caught on the street without a tag will be killed, the order asserts.

REPRESENTATIVE TAYLOR OF ARKANSAS DEAD  
Washington, Sept. 13.—Representative Samuel L. Taylor of Arkansas died at his home early today after an illness of several weeks with pneumonia.

Prior to contracting pneumonia, Representative Taylor, who was 69 years old, had been in declining health for several months and had not attended sessions of the house since about July 1. Elected to the sixty-second congress in 1910 to fill the unexpired term of Senator Robinson, following his election to the governorship, Representative Taylor represented the Sixth Arkansas district in congress continuously up to the time of his death. He was ranking democratic member of the rivers and harbors committee and devoted much of his attention to legislation coming before that committee.
